

THE UBA FOUNDATION AND PCC ACHA EYE HOSPITAL PARTNER TO OFFER FREE EYE CONSULTATIONS

As part of its corporate social responsibility, activities the UBA Foundation in partnership with the PCC Acha Eye hospital have organized free eye consultations throughout the UBA network in Cameroon. The free consultation are destined to help people check the state of their eyes, get basic advice on eye care and get referenced where to get treatment.

The Acha Eye Clinic Outreach team deployed to UBA branches in Yaounde, Douala, Bafoussam and Limbe spend a whole day at each branch throughout the year. In all the nine free eye clinics in 2021 more than 500 people of different ages benefited from the free consultations.

In 2022, the program will expand and hope to double the number received in 202.
